EXPERTISE

Dr. Barbara Abegg joined Lenz & Staehelin in 2017 and is based at our Zurich office, where she specialises in intellectual property – mainly patent and trademark law – and unfair competition. Barbara represents clients in litigation before Swiss courts, arbitration proceedings and administrative matters before governmental authorities. She also regularly advises on a broad range of other intellectual property and unfair competition law matters. Barbara will be teaching unfair competition law at the University of Berne starting this year, 2024. She is regularly invited to talk about intellectual property at conferences and has published on a wide range of intellectual property topics.
